Multi-Purpose Tennis Court Surface

Earlier this year the Hermidale P&C and school submitted an application for a multi-purpose court through the 'Investing in Our Schools' project. We have recently been advised that our application was successful. The funding, along with the money donated from the Centenary will provide the school with a multi-purpose court.

Work has already commenced on the court with the leveling of the surface being done this week. If work proceeds as planned, the court will be completed and ready for use by the beginning of Term One, 2006.

We are all looking forward to having this fantastic surface for sport and skills work. Many thanks to the Centenary committee for their contribution of funds for this project.

There will be an opening of the court and family fun day in Term One. We look forward to seeing you all there.

HOPE HARVEST IS GOING WELL EVERYONE!

We welcome Darren and Katie Mudford to our district. They are residing at Trowell Creek.

Next month we wish a happy birthday to Zac Smith (13th) and Suzannah Dewhurst (14th) #
